

SOUL Materials & colors

EvolutaCONCRETE®

Proprietary glass fiber reinforced concrete, hand-finished for outdoor use. Surfaces are protected with a water-based hybrid sealer. Select the final finish against a physical sample.

Concrete colors	Pepper / Concrete / Ivory / Olive / Coffee / Terracotta / Tortora
-----------------	---

Standard fronts	EvolutaGLASS, 4 mm tempered glass
-----------------	-----------------------------------

Glass textures	Corrugated / Crystal / Flat
----------------	-----------------------------

Glass colors	RAL 8028 / RAL 1019 / RAL 6013 / RAL 3009
--------------	---

A considered material palette

EvolutaGLASS brings depth, light and reflection to the solid presence of concrete. HPL wood-effect finishes shown in the broader Evoluta collection are not the standard EvolutaGLASS palette.

Selection and maintenance

Screen reproductions are indicative. Confirm colors, edge details, mounting and care requirements for your selected finish. Request the current maintenance guidance before using any cleaning product.
